# Upcoming Trainings during Grant Period

- ❖ Biannual Roundtable Meetings
- ❖ 1 Short Course Training (1 Completed in 2017)
- ❖ 2 WPP Implementation Trainings
- ❖ 2 Urban BMP Trainings
- ❖ 2 AG BMP Trainings
- ❖ 1 Fundamentals of Developing a Water Quality Monitoring Plan
- ❖ 2 Social Marketing Trainings (Completed)

*Funding is provided by the U.S. Environmental Protection Agency through the Texas State Soil and Water Conservation Board.*

# Upcoming Trainings in 2018

- ❖ Watershed Planning Implementation Training in Spring 2018
- ❖ Ag BMP Training
- ❖ Urban BMP Training
- ❖ Fundamentals of Developing a Water Quality Monitoring Plan in May/June 2018.
- ❖ Next Roundtable July 2018

# Texas Watershed Planning Short Course

Anticipated Date: March 2019

Location: TBD

# Urban Riparian and Stream Restoration Program

Trainings Registration is limited to the first 40 attendees. Information including the hydrologic cycle, basics to stream morphology, stream classification, stream instability, stream restoration, stabilization structure, vegetation, and monitoring and evaluation will be explained through classroom-style teaching in the morning session and hands-on activities in the field at a nearby stream in the afternoon sessions.

*Funding is provided by the U.S. Environmental Protection Agency through the Texas Commission on Environmental Quality.*

## Urban Riparian and Stream Restoration Program

Dallas: February 21, 2018

8:30 am – 4 pm

Upper Trinity Regional  
Water District

Lewisville, Tx

Seguin: March 20, 2018

8:30 am – 4 pm

Irma Lewis Seguin Outdoor  
Learning Center

Seguin, Tx
